What did we collect

Project data

- objectives of project
- organisational solution of project
- collaborating partners and geographical information,
- basic project and programme data
 - programme subsidy
 - project budgets
 - project duration
 - project leader
 - type of technology
 - a short text describing the project

Programme data

- number of projects
- annual funding
- objective
- project leader information on the funding programme

Projects in the database

433 demonstration and trail projects in the database in total

- Denmark: 224, incl. 7 EU projects
- Norway: 107 projects
- Sweden: 102 projects

Transport technologies

- 97 projects (22%) were concerned with transportation
 - electrical mobility
 - biofuel/biogas

Energy technologies – IEA codes

Projects in the database

- increase of demonstration and trail projects during the period

Number of projects

Funding of projects

Can increase be confirmed?

- increase of demonstration and trail projects during the period

'Demonstration' according to IEA's RD&D Statistics Funding of projects - database

Project aims

- number of projects - multiple aims possible
